March is Music In Our Schools Month! If your child takes PRIVATE lessons on an instrument they may perform a piece for the class during one of their music classes in March. I have a piano for those students that take piano lessons. If your child takes lessons on a different instrument, please bring that instrument on their music day. If you have any further questions please e-mail me at kathryn_tlint@orangegroveschools.com. I look forward to hearing your talented children!
