Egg Hunt

Parents, we are learning about egg laying animals for the next two weeks. We are asking for your help with our egg hunt on April 18th.

Please send in 12 regular size plastic eggs that are already stuffed, taped shut and labeled 1-12 along with an egg carton.

The egg carton makes it easy for the kids to see which number they need and which numbers they already have.

Please do not put chocolate in the eggs and keep your Easter basket at home, we would hate for it to get lost or dirty.
