

Important Dates

April 17th– Kickin' Chicken Night

April 17th– Send in 12 eggs for our Egg hunt on the 18th.

April 18th– Style Day

April 19th & 21st No School

Egg Hunt

Parents, we are learning about egg laying animals for the next two weeks. We are asking for your help with our egg hunt on April 18th.

Please send in 12 regular size plastic eggs that are already stuffed, taped shut and labeled 1-12 along with an egg carton.

The egg carton makes it easy for the kids to see which number they need and which numbers they already have.

Please do not put chocolate in the eggs and keep your Easter basket at home, we would hate for it to get lost or dirty.

What's Going On in K7?

Reading- Text Detective

- I can look back at what I read to answer who, what, when, where and why questions.
- I can use clues from the pictures and text to determine the meaning of new words.
- I can read to learn more about something.

Phonics & Handwriting

- I can read and spell CVC (consonant, vowel, consonant) words such as: dig, cat, sun, leg.
- I make new words by changing the vowel.
- I can make new words by changing the beginning or ending sound.
- I can form capital and lowercase

Sight Words: up and down

- I can read and write sight words.
- Please practice the list of words in your child's binder.

Math: Measurement

- I can identify the length and width of an object using nonstandard measurement.
- Nonstandard measurement: cubes, pennies, paper clips etc...

Science: Oviparous Animals- Animals that lay eggs.

- I can identify how animals grow and change.
- I can explain why animals live in certain habitats.
- I can identify what an animal needs to survive.
